

# Health & Safety at Work

## *Prevention Starts Here*

*The Saskatchewan Employment Act gives workers rights. It sets out roles for employers, supervisors and workers so they can work together to make workplaces safer.*

### Improve Health & Safety:

- **Find out** about your Joint Health and Safety Committee or Health and Safety Representative.
- Talk to your employer, supervisor, workers, joint health and safety committee or health and safety representative about health and safety concerns.

**CALL MOTOR SAFETY ASSOCIATION  
306-721-0688**

**For work place health and safety information.**

Or visit our website:

### Workers have a right to:

- **Know** about workplace hazards and what to do about them.
- **Participate** in solving workplace health and safety problems.
- **Refuse** work they believe is unsafe.

### Workers must:

- **Follow** the law and workplace health and safety policies and procedures.
- **Wear** and **use** the protective equipment required by their employer.
- **Work** and **act** in a way that won't hurt themselves or anyone else.
- **Report** any hazards or injuries to their supervisor.

*Employers must NOT take action against workers for following the law and raising health and safety concerns.*

### Employers must:

- **Make sure** workers know about hazards and dangers by providing information, instruction and supervision on how to work safely.
- **Make sure** supervisors know what is required to protect workers' health and safety on the job.
- **Create** workplace health and safety policies and procedures.
- **Make sure** everyone follows the law and the workplace health and safety policies and procedures.
- **Make sure** workers wear and use the right protective equipment.
- **Do everything** reasonable in the circumstances to protect workers from being hurt or getting a work-related illness.

### Supervisors must:

- **Tell** workers about hazards and dangers, and respond to their concerns.
- **Show** workers how to work safely and make sure they follow the law and workplace health and safety policies and procedures.
- **Make sure** workers wear and use the right protective equipment.
- **Do everything** reasonable in the circumstances to protect workers from being hurt or getting a work-related illness.
