[SiteDocs](#) makes every aspect of safety compliance easier, faster, and better. Go Digital with all your forms and build custom forms that are simple to fill out and sign with follow-up actions, worker certifications, GPS locations, and offline support. Easily create and distribute documents and then track completion by a worker, location or document name in real time.

As an MSA member, enjoy an exclusive **20% discount** when your company purchases SiteDocs safety management software, which will also be applied to your annual renewals. Existing MSA members that are Site Docs customers will receive this discount when renewing by contacting:
