

CMC CASE MANAGEMENT CANADA INC.

CONTINGENCY WORKERS COMPENSATION COST RELIEF REVIEW AGREEMENT.

BETWEEN: Case Management Canada Inc. & ABC Company Ltd.

Undertakings:

Case Management Canada Inc will do the following:

Conduct a complete review of ABC Company's workers compensation claims and will attempt to secure employer cost relief on their workers compensation claims. This will include dealing with WCB case managers and adjudicators on individual cases and conducting appeals if necessary.

Remuneration:

*ABC Company Ltd. agrees to payment to Case Management Canada Inc in the sum of 25 % of any assessment rate reduction secured. This is contingent upon Case Management Canada's efforts having successfully resulted in the assessment reduction. The fee for this will become payable once WCB confirms in writing that an assessment rate reduction has been processed. **If Case Management Canada's review results in no employer assessment reduction, then no fees will be charged for this review.** Case Management Canada will absorb all of its expenses incurred in conducting this review.*
