[SiteDocs](#) makes every aspect of safety compliance easier, faster, and better. Go Digital with all your forms and build custom forms that are simple to fill out and sign with follow-up actions, worker certifications, GPS locations, and offline support. Easily create and distribute documents and then track completion by a worker, location or document name in real time.

MSA members who sign up for SiteDocs will receive a 20% discount on the first year of their SiteDocs subscription.
