

Everything you need to know to get ready for your **MSA Classroom Training**.

1. **Confirm/Access SkillsPass Account**
2. **Course Materials**
3. **Participation**
4. **Certificates**
5. **Need More Help?**

1. Confirm/Access SkillsPass Account

Upon completion of your Classroom Training, the email address you provided during registration will be used to create your SkillsPass account.

- Watch for your SkillsPass activation email (valid for 48 hours).
- Check spam/junk if you don't see it. (If missing, reset your password or click **Help** to contact support.)
- Click the activation link to confirm your profile and access your [Worker Passport](#).

2. Have Your Course Materials Ready

You will need access to the **Saskatchewan Employment Act & Occupational Health and Safety Regulations** during the course. [Saskatchewan OH&S Regulations Tutorial](#)

Download materials here: [COURSE MATERIALS](#)

3. Be Ready to Participate

You'll be expected to:

- Stay attentive
- Respond to instructor questions

4. Certificates

- The quiz is available **at the end of the course**
- Certificates are issued within **1–3 business days**
- You will receive an email from **SkillsPass** once your certificate is ready!
- Access your **SkillsPass accounts** to print or share your certificate with your employer

5. Need Help?
